ASSOCIATION INTERNATIONALE
D'ÉTUDES PATRISTIQUES
INTERNATIONAL ASSOCIATION
OF PATRISTIC STUDIES

International Association of Patristic Studies
Association Internationale D'Études Patristiques

The purpose of the International Association of Patristic Studies (I.A.P.S./ A.I.E.P.) is to promote the study of Christian antiquity, especially the Fathers of the Church.

The Association attempts to bring into contact all those whose work in one way or another concerns Patristic research, especially those engaged in imparting instruction in this field and who are responsible for orienting and directing research, as well as directors of collections, editions, reviews, encyclopaedias and other publications.

The Association also attempts to provide precise information on works published, planned or in progress in the field of Christian antiquity, and communicates this information in an annual bulletin and biennial directory, published by Brepols, which are sent to each member.

The annual subscription paid by members (currently 14 Euro) means that the Association is also able to offer financial support for scholars and students to attend the Oxford International Patristics Conference.

Anyone interested in joining the Association should either contact the Secretary General of the Association (Prof. Dr. Lorenzo Perrone, Dipartimento di Filologia Classica e Medioevale, Via Zamboni 32, I-40126 Bologna, Italy. Email: lorenzo.perrone@unibo.it) or consult the Association website www.aiiep-iaps.org where further information, the names of National Correspondents, and application forms are available.

Further details concerning the Association can be found on its website: www.aiiep-iaps.org
