

**ASSOCIATION INTERNATIONALE
D'ÉTUDES PATRISTIQUES
INTERNATIONAL ASSOCIATION OF
PATRISTIC STUDIES**

The purpose of the Association Internationale d'Études Patristiques / International Association of Patristic Studies (AIEP/IAPS) is to promote the study of Christian antiquity, especially the Fathers of the Church.

The Association attempts to bring into contact all those whose work in one way or another concerns Patristic research, especially those engaged in imparting instruction in this field and responsible for orienting and directing research, as well as directors of collections, editions, reviews, encyclopaedias and other publications.

The Association also attempts to provide precise information on works published, planned or in progress in the field of Christian antiquity, and communicates this information in an annual bulletin, published by Brepols and sent to each member.

The annual subscription paid by members has allowed the Association to offer financial support for students to attend the Oxford International Patristics Conference.

Anyone interested in joining the Association should consult its website, www.aiep-iaps.org, where further information and application forms are available.
